

**Every single day I
spend being your wife,
I realize how lucky I am
to live such an amazing
life.**

I love you.

If life were a ship,

**You would be the
anchor that holds
me in place**

**And the sails which
take me on a
beautiful journey.**

I love you.

LOVE

**I love living life with
you**

**And I live life for loving
you.**

I love you.
